

Secondary Homonymy of *Bufo proboscideus* Spix, 1824, with *Phryniscus proboscideus* Boulenger, 1882

JUAN CARLOS CHAPARRO, JENNIFER B. PRAMUK, ANDREW G. GLUESENKAMP, AND DARREL R. FROST

Chaparro et al. (2007) recently placed *Rhamphophryne* Trueb, 1971 into the synonymy of *Rhinella* Fitzinger, 1826. The result of this synonymy is that *Bufo* (*Oxyrhyndus*) *proboscideus* Spix, 1824 (formerly *Rhinella proboscidea*) and *Phryniscus proboscideus* Boulenger, 1882 (formerly *Rhamphophryne proboscidea*) are rendered as secondary homonyms. To remedy this homonymy we provide the new name *Rhinella boulengeri* as a replacement for the junior name, *Phryniscus proboscideus*, under the provisions of Article 60 of the International Code of Zoological Nomenclature (1999).
